

Autumn Diary

Dates 2020

We are looking ahead and have planned a series of great County Events over the autumn. Please save the date and share across your Groups and Sections.

Beaver Activity session - Sat 7th November - PM
Cub Brum Challenge - Virtual cub camp - 26th and 27th September
Virtual Brum Venture - 2nd/3rd/4th October
Explorer challenge - 14th November

As we are still returning to 'normal' face to face scouting, more details will be sent out in September when we will confirm the format of these events and let you know how to get involved.

All these events will be free to take part in. However, if you are able we would like to make a donation to a charity that supports some amazing local good causes. We will confirm the charity and how to donate in September.

We can't wait to see you all soon....
